

**\*\*\*THIS LIST SHOWS THE MEMBERS WHO HAVE COMPLETED THEIR CODE OF ETHICS REQUIREMENT.\*\*\*  
**If your name is NOT on the list, you need to fulfill this requirement before the end of 2021.****

To emphasize the importance of the Code of Ethics in our members every day practice, the National Association of REALTORS® maintains a mandatory ethics training for new and continuing REALTOR® members. REALTORS® must complete a qualified (NAR approved) ethics course **between January 1, 2019 and December 31, 2021**, for continued membership. Failure to fulfill this membership requirement will result in suspension of membership and member benefits, including MLS, until the requirement is met. For your convenience, we have a list of those members who have completed the requirement available for reference. If your name does not appear on the list below, you will need to fulfill the established Code of Ethics requirements by December 31, 2021. If you have taken a continuing education (CE) course stating it qualifies for the NAR Code of Ethics requirement, you must submit your certificate to [info@ScottsdaleREALTORS.org](mailto:info@ScottsdaleREALTORS.org) or fax it to 480-422-7945 for verification even if you have already uploaded to the Arizona Department of Real Estate (ADRE). These systems are not connected and not all classes satisfy the requirements.

This list is updated monthly with the last update on **12/31/2020**. If your name is listed below, thank you for fulfilling your requirement. If you think your name should be listed and it has been longer than 30 days since you fulfilled your requirement, please contact SAAR's Membership Department at 480-945-2651. For additional information on COE requirements as well as the official COE document, please visit SAAR's COE webpage (<https://scottsdalerealtors.org/code-of-ethics-training/>).
