Topic: Three Great CoStar Tools to Make You Money

Guest Speaker: Gina Nelson, CoStar Group

Gina Nelson started her career in Commercial Real Estate in 2004 at a local Phoenix based brokerage house and moved to Costar in 2012 to expand her reach in within the industry. Her experience working with brokers, owners, lenders and appraisers and understanding the tools needed has afforded her the opportunity to take a consultative approach with the real estate community in guiding them to implement technology solutions that will best benefit their business model. Gina strongly believes proper technology solutions, successful implementation, and continued training is critical in today's fast paced market.
