

Funding a Place to Call Home.

You are invited to join the mission to end homelessness!

AZHF grants are used for new construction of low income and permanent supportive housing units by Arizona nonprofits that build and operate these communities and projects.

Started in 2019, AZHF has raised **nearly \$2 million** for more permanent supportive housing and granted \$1.7 million to **10 new projects** in the state.

THE ISSUES WE FACE

The number of people experiencing homelessness in our state is at an all time high and continues to grow.

- **Currently there is a shortage of 270,000 dwelling units in AZ as of January 2024**
- **80,000 eviction filings in 2023 - Maricopa County Justice Courts**
- **Seniors are the fast-growing homeless population. The Area Agency on Aging receives 5,000 calls a year asking for housing assistance and services- June 2023**
- **732 homeless deaths in 2023, a 42% rise from 2021- Maricopa County**
- **25.6% increase in the median Phoenix rent since the start of Covid- March 2020**

HOW YOU CAN HELP:

by participating in the
Escrow Donation Program.

Our signature fundraiser is being used by residential REALTORS, homebuilders, home buyers and sellers and title companies.

Parties to the transaction
each donate **\$25** to AZHF at closing.

Donations made at close of escrow directly fund affordable housing for the growing vulnerable populations in our state.
